## Kalmte kon hem redden

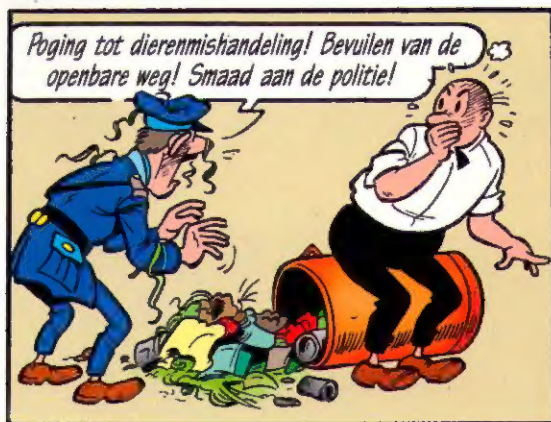

Hoera! Lambiks  
vuilnisbak zit steeds vol  
lekkere hapjes!

Alle donders!

Wat een botsing!  
Ik ben er helemaal  
tureluurs van!

Poging tot dierenmishandeling! Bevuilen van de  
openbare weg! Smaad aan de politie!

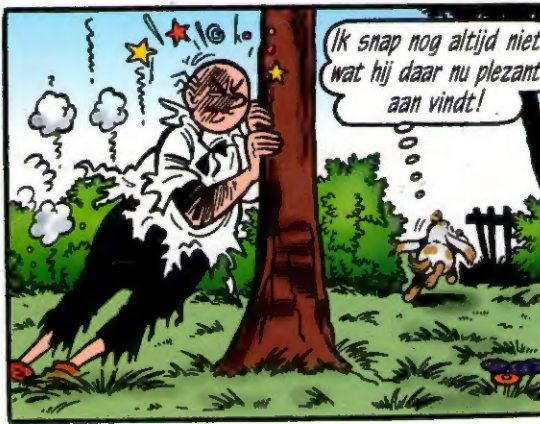

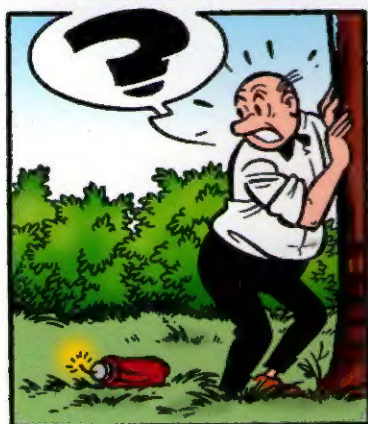

Vriendelijk van Lambik om die bak voor mij uit te schudden.

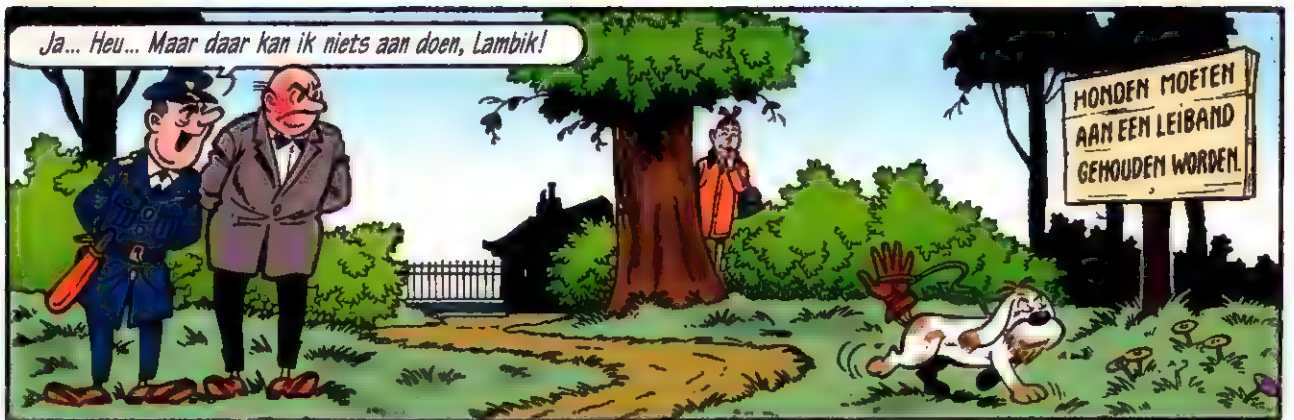

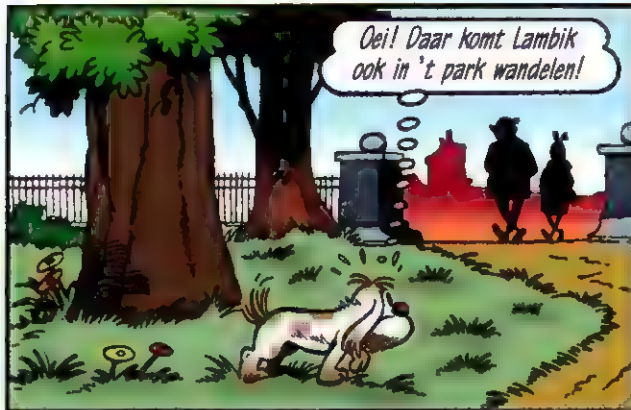

## Het kan verkeren

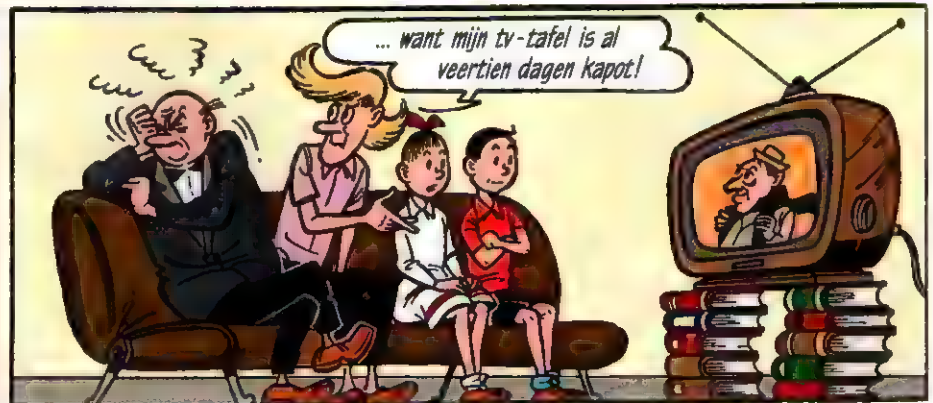

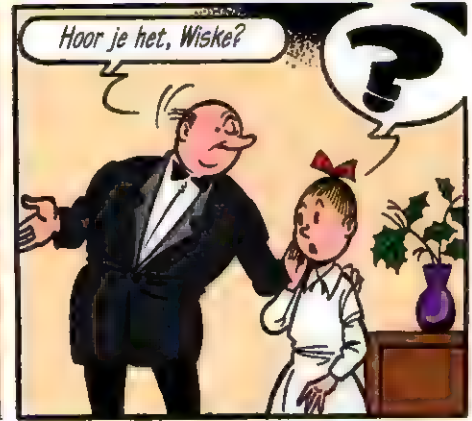

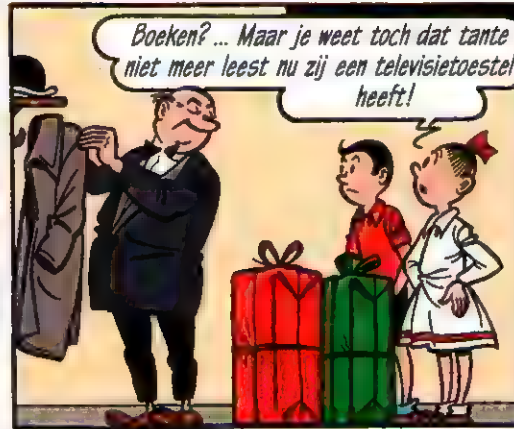

## Orders zijn orders

## Vergeet niet te lezen

## Krachtig ingrijpen

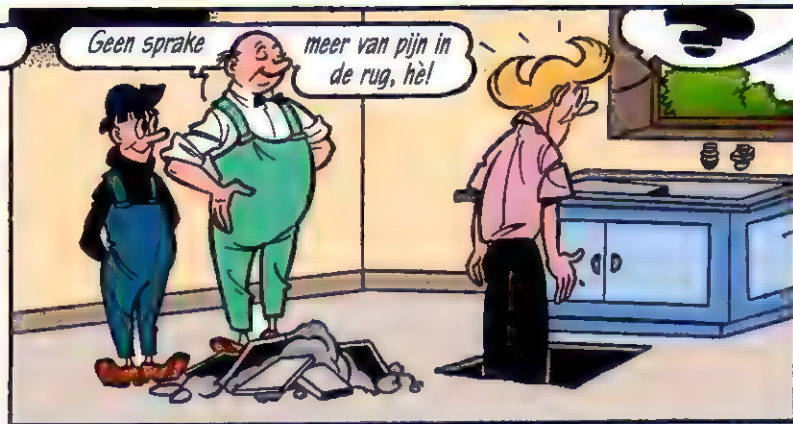

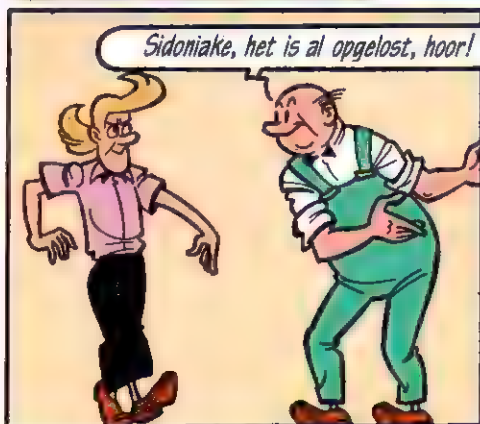

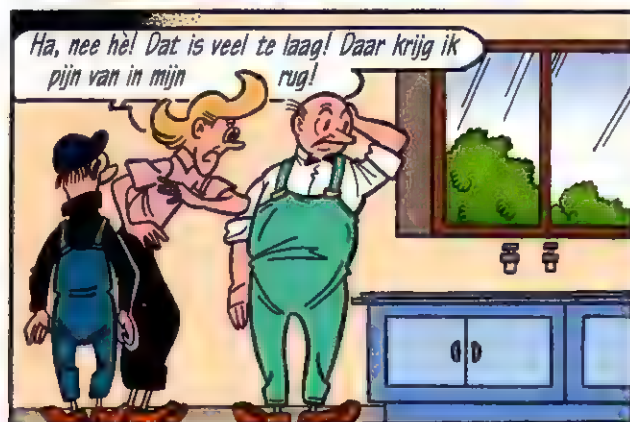

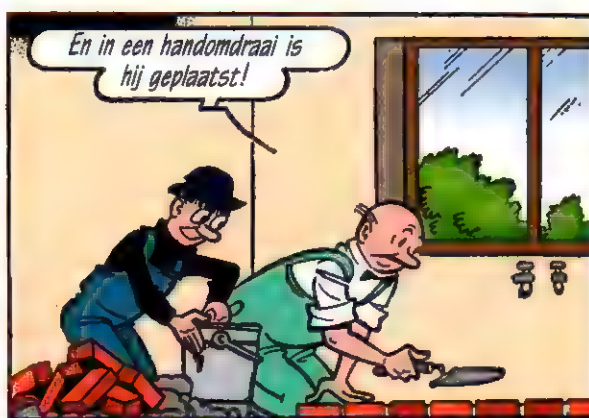

## De verstrooide

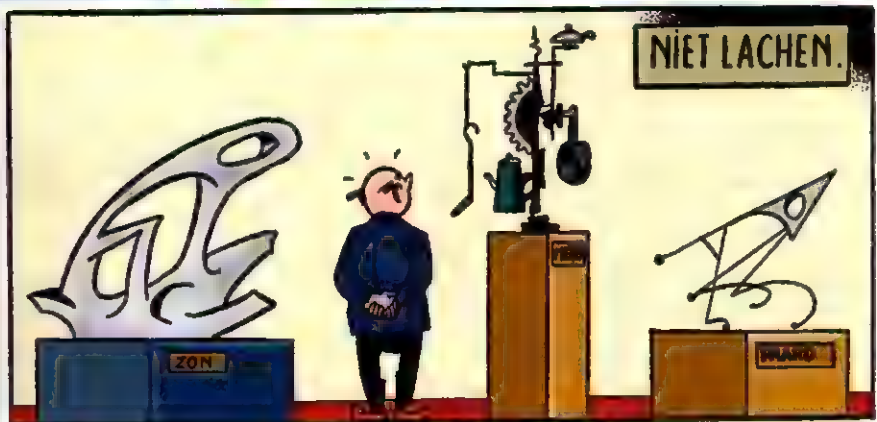

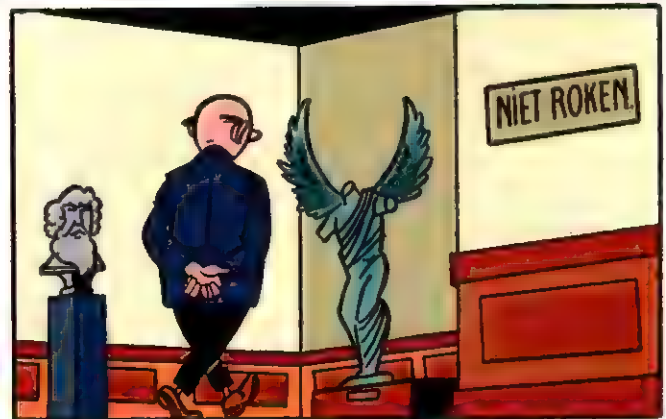

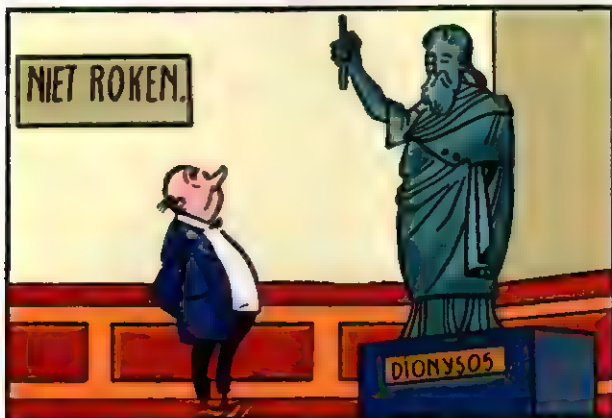

## De oplossing

## Kunst veredelt de mens

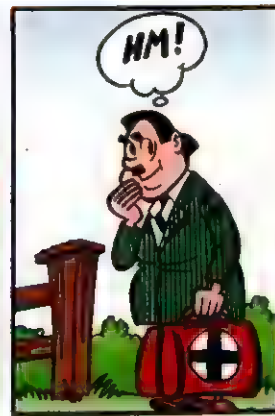

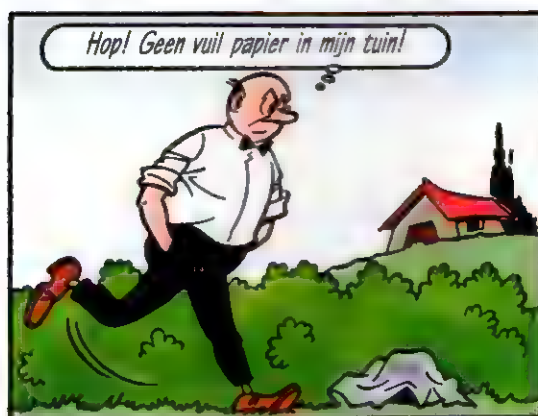

## Het frisse strijkijzer

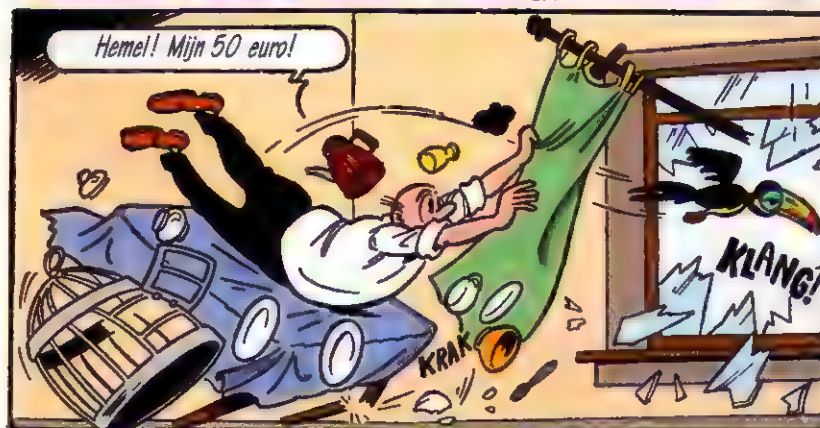

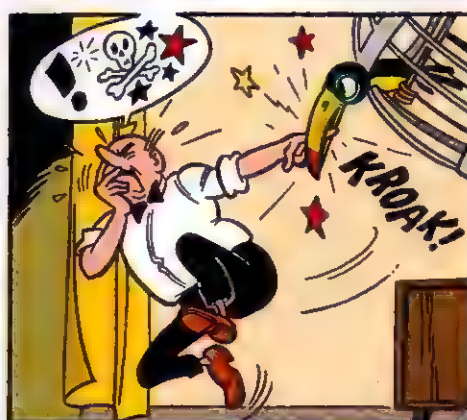

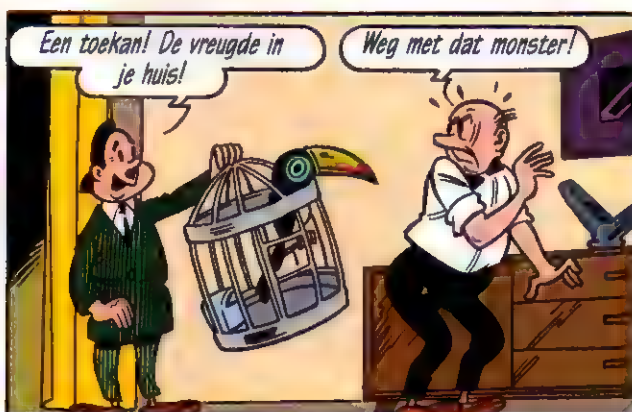

## Vriendendienst

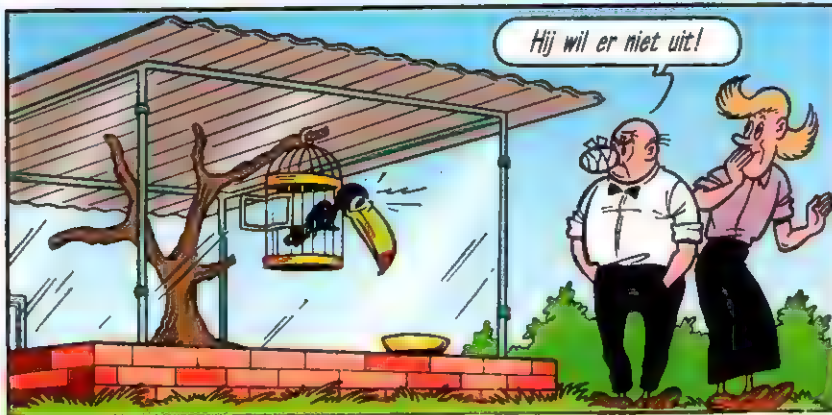

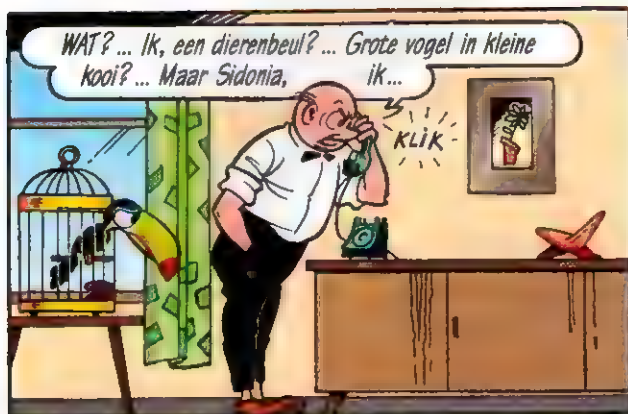

## Klein percentjes, rijke ventjes

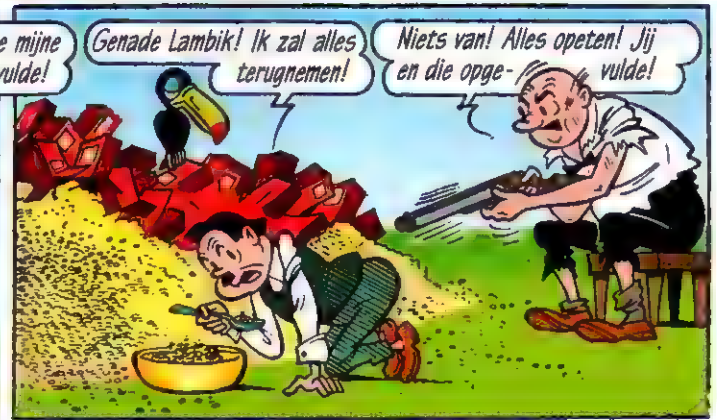

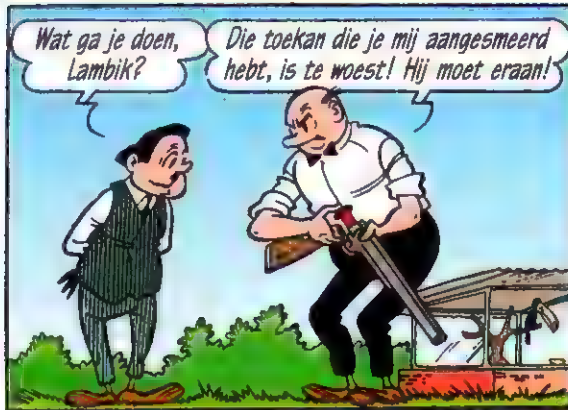

## Wie goed is voor de dieren

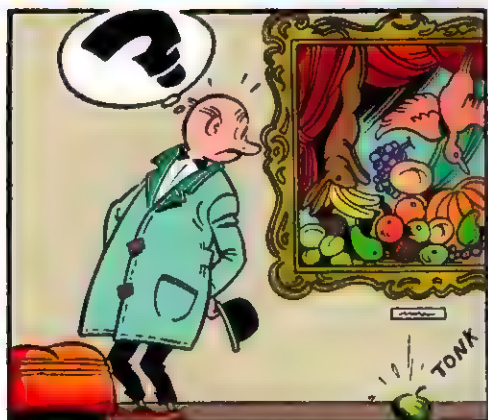

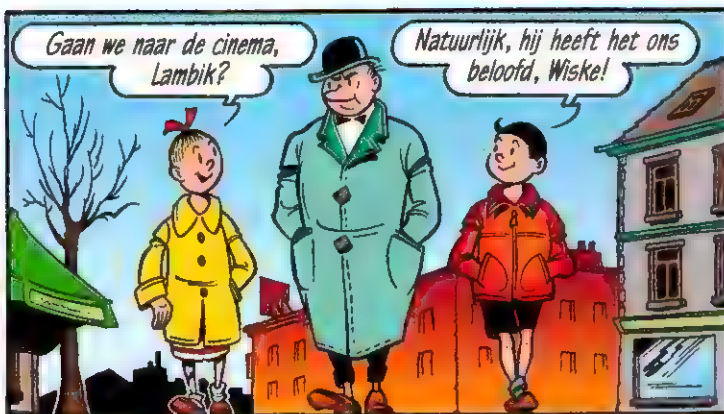

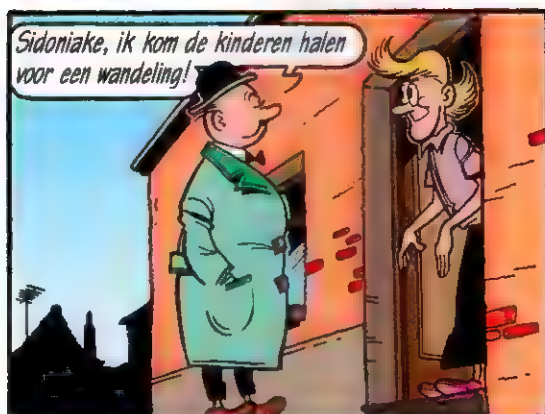

## Winden zaaien, stormen oogsten

## Stille nacht

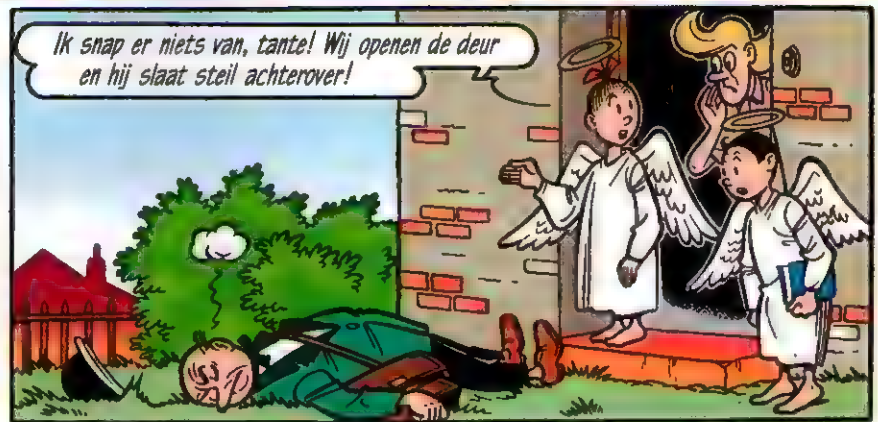

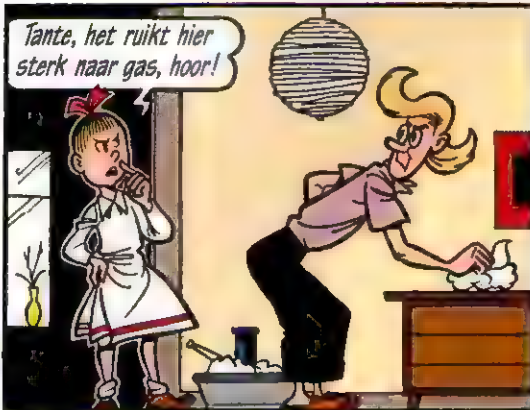

## De juiste sfeer

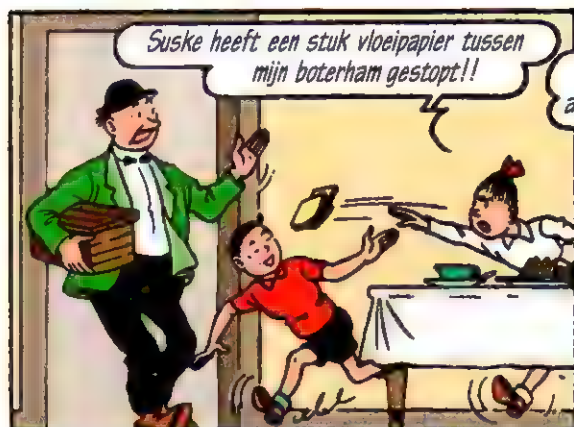

## Tussen droom en werkelijkheid

## De test

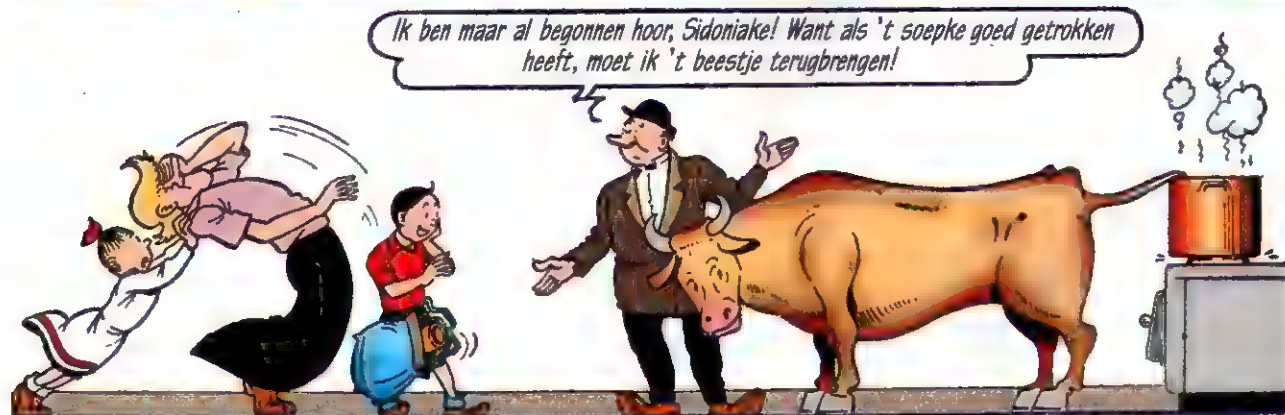

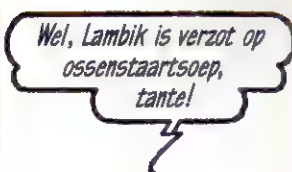

## Een beetje bijziend

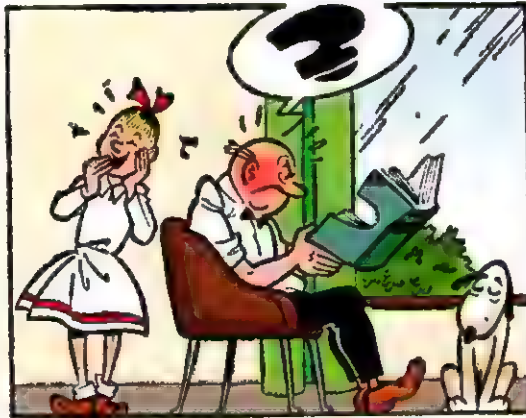

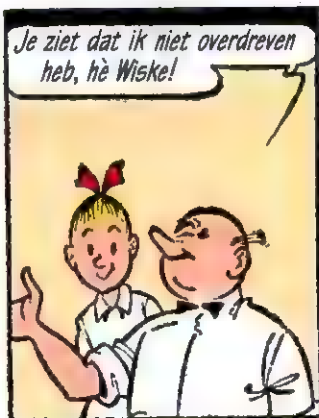

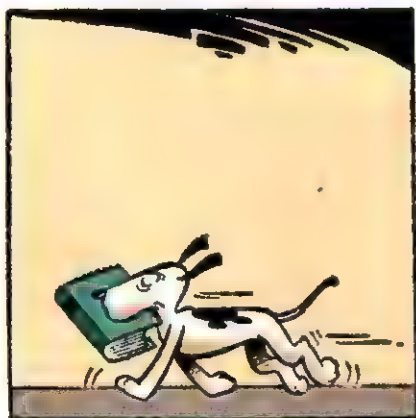

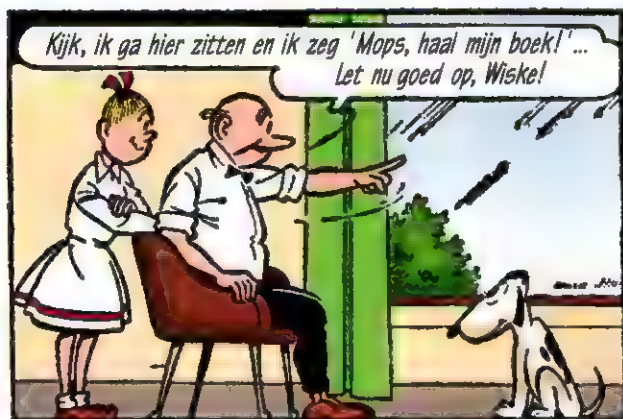

## Verse ossenstaartsoep

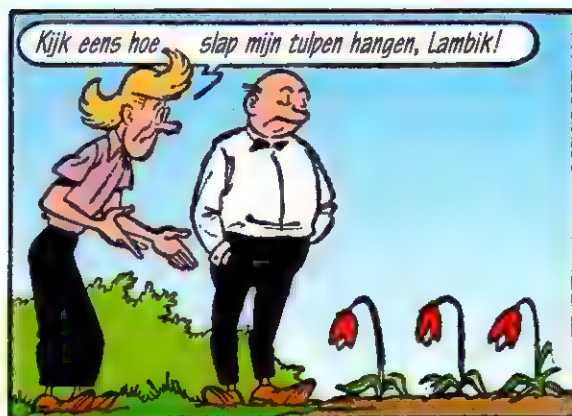

## Goed gedaan, Mops!

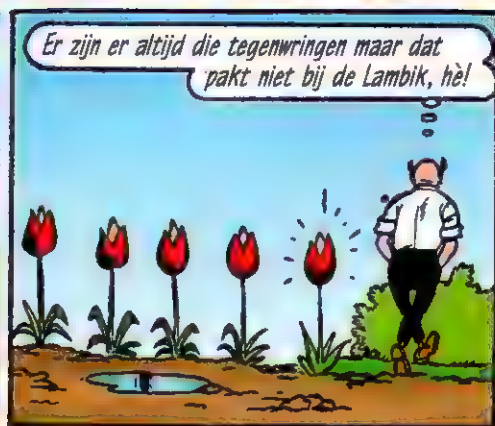

## Flinke tulpen

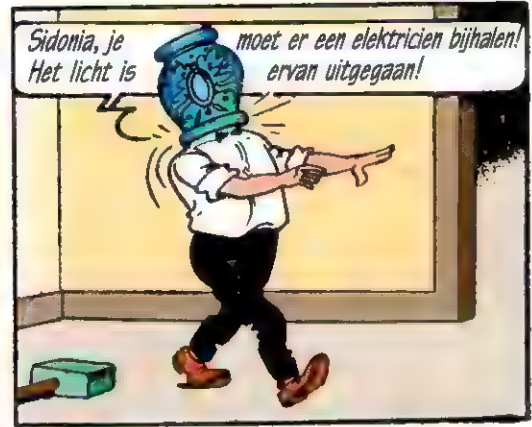

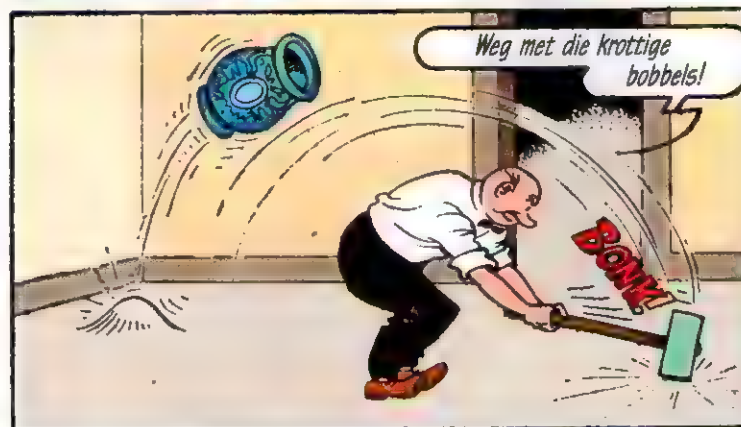

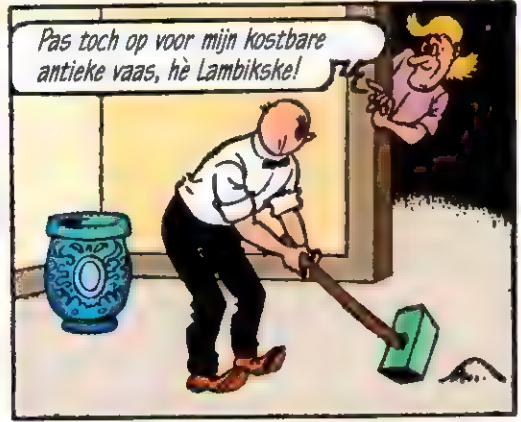

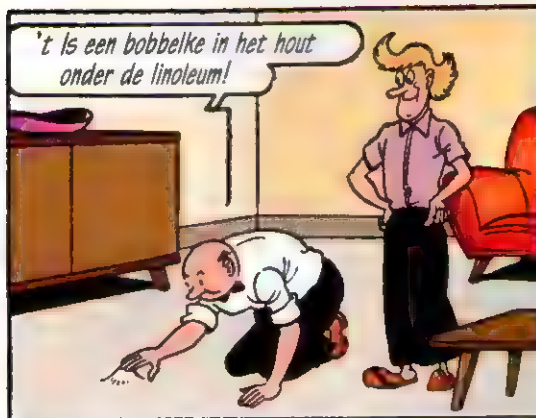

Je begint ze met kraantjes-water, hè? ... Pf! Wat zit daar nu nog in? Luister...

## Licht uit

## Sterk water

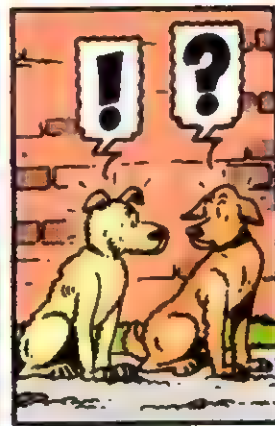

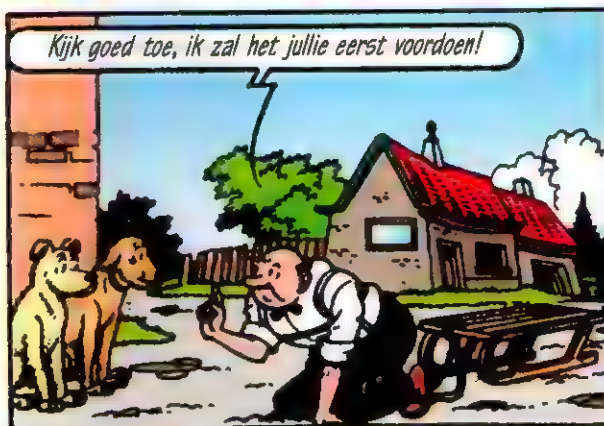

## Dressuur

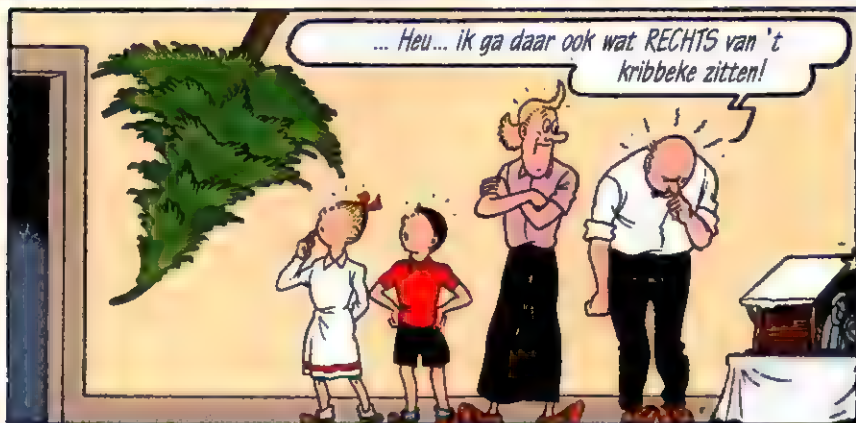

Dresseer ze tot blindengeleidehonden: dat is tenminste nuttig!

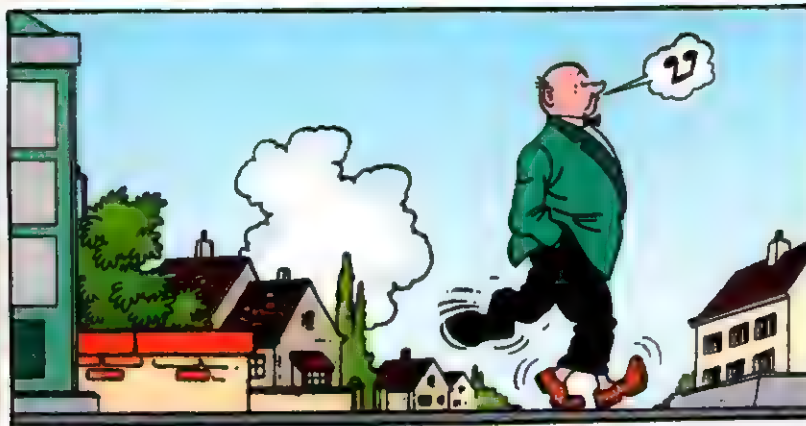

## Vrede in huis

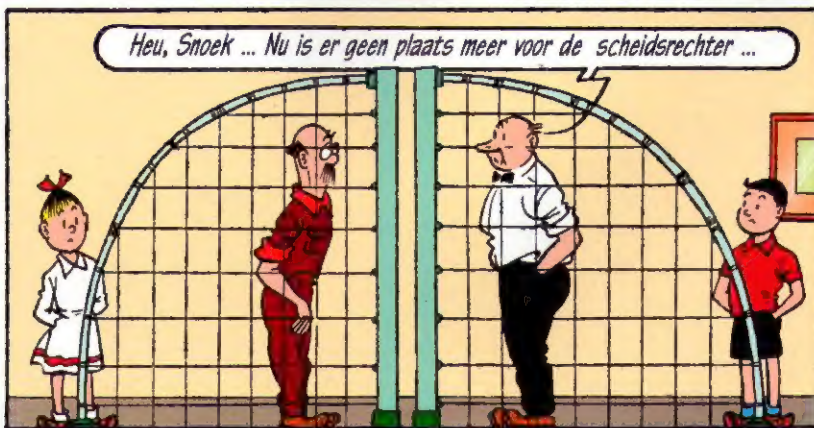

## Volkomen genezen

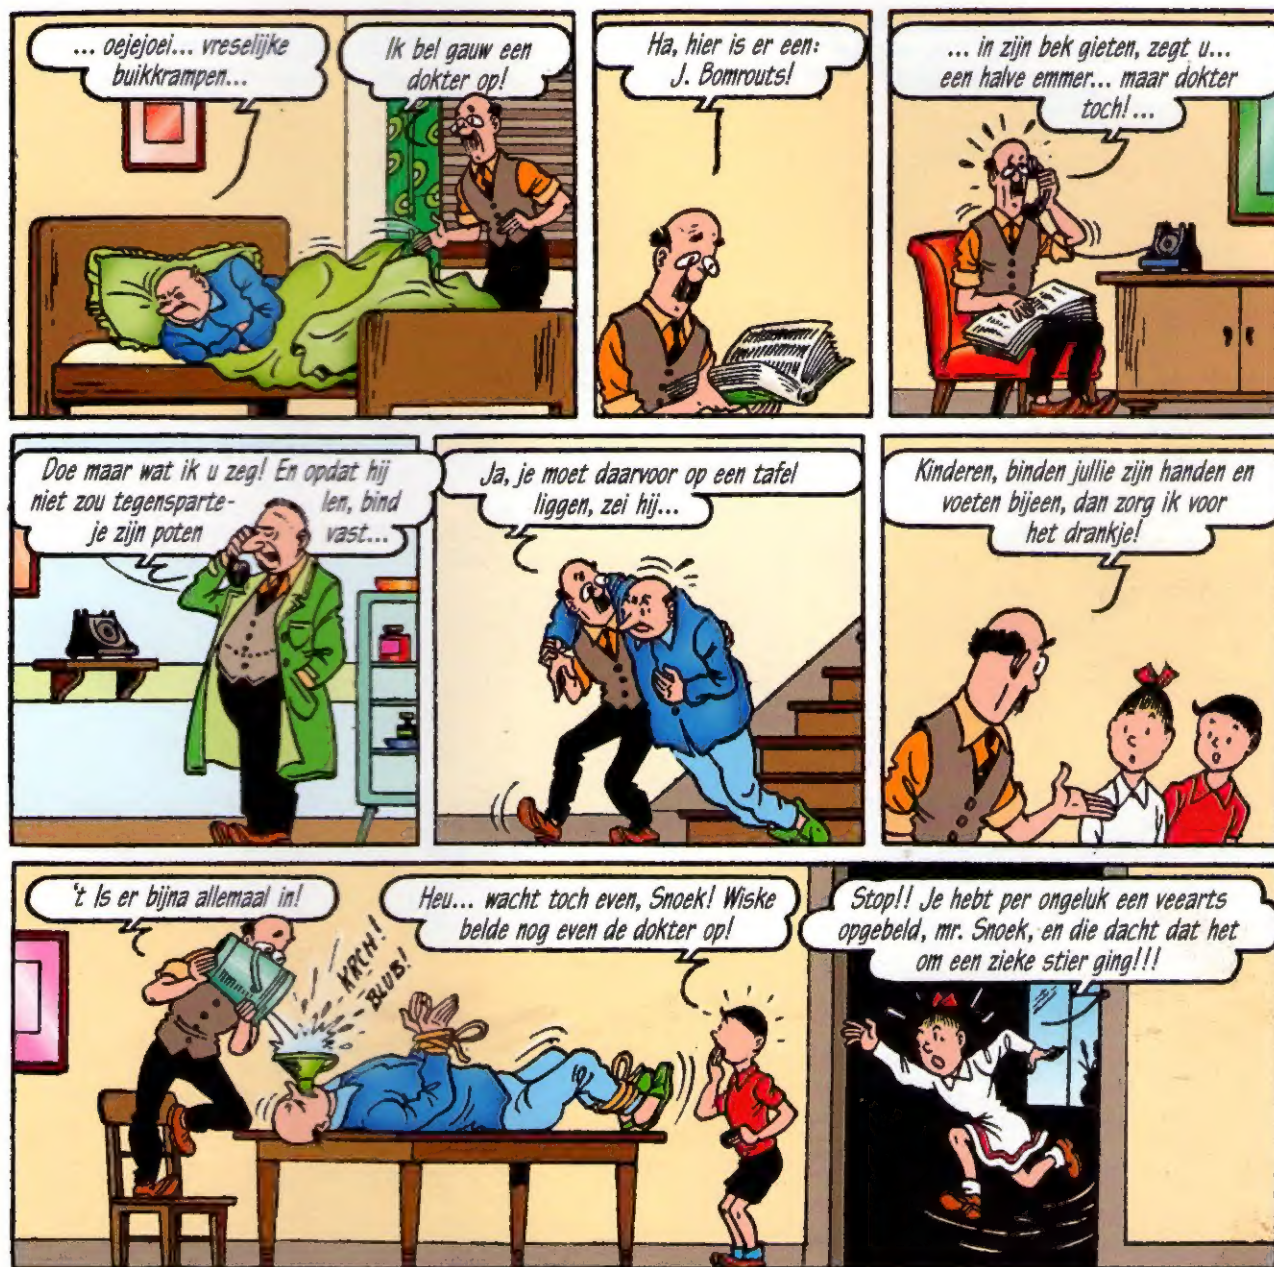

## Voetbal in huis

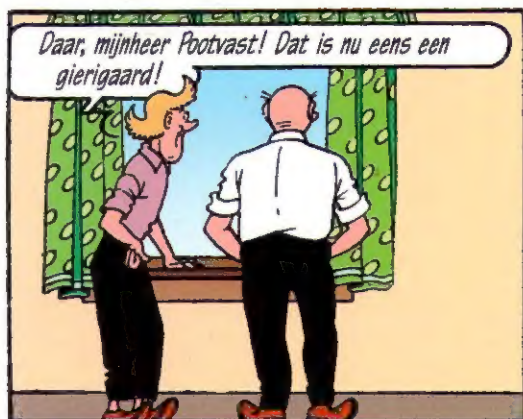

## De grove middelen

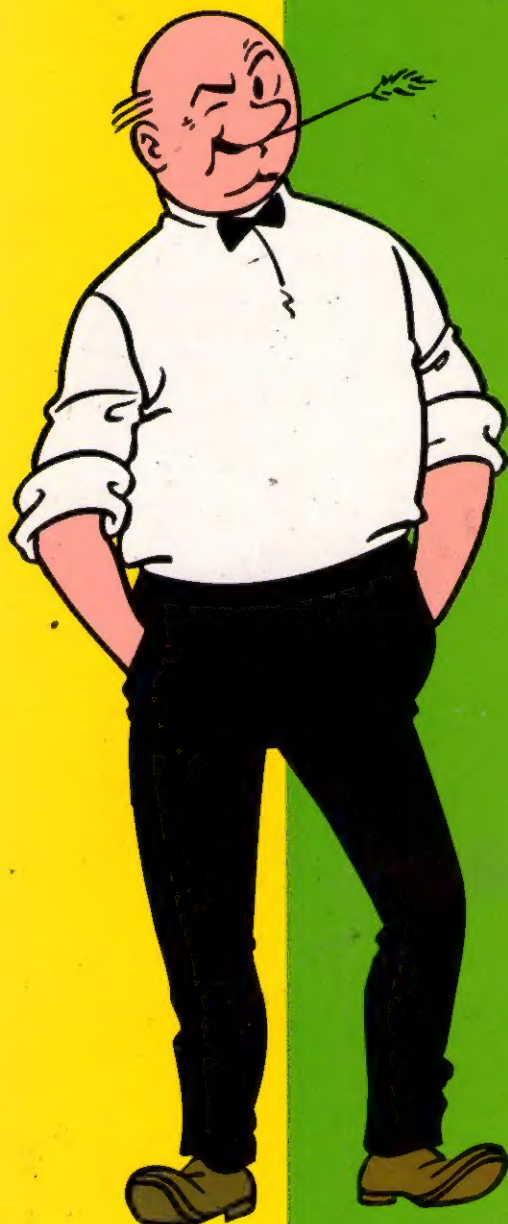

## Niet zo gierig

# DE GRAPPEN VAN LAMBIK

In deze nieuwe reeks brengen we allereerst drie albums met de beste originele grappen van Willy Vandersteen. Daarna schakelen we over op gloednieuwe grappen.

Hoewel de tekeningen niet altijd meer even vertrouwd overkomen, worden de oorspronkelijke gags sterk gesmaakt door hun gebalde humor, die vaak naar het absurde overhelt.

We maken kennis met Lambik als onhandige loodgieter en klusjesman die zich laat bijstaan door de snullige Sezar. Samen raken ze in de gekste situaties verzeild. Ook andere Vandersteen-helden passeren regelmatig de revue.

**Heel veel plezier met  
Lambik & co!**
